

**Here are the next steps we need to take as a church  
to overcome this financial obstacle:**

- 1. Everyone check their donations to make sure they are coming out. (update cards if needed)**
- 2. Those not giving at all, will you step into generosity? Your church is counting on you.**
- 3. For those giving, but not tithing, would you consider increasing your donation to get closer to a tithe or begin tithing.**
- 4. For those who give, but not consistently. Will you set up repeating donations?**
